

INNOVATIVE PRODUCTS FOR THE LOADING DOCK INDUSTRY

ZERO IMPACT DOCK BUMPER

The Building Saver!

Better protection for your loading docks and buildings walls with the Zero Impact bumper by DL Manufacturing. The advanced diamond flex design of the Zero Impact Bumper eliminates impact shock load on the building. This innovative design provides far superior cushioning versus a typical steel face bumper. The Zero Impact Bumper protects your trailers and building.

Benefits:

- Eliminates impact shock with Diamond Flex technology
- Easy to install
- Maintenance free
- Weather, temperature and UV resistant
- 3/8" Steel faced for long life wear resistance
- Ideal for use with yard jockeys
- Reduces damage on truck trailers
- Reduces building loads
- Reduces wear on dock seals
- Multiple wall mounting options are available
- Comes in 4 3/4" and 6 3/8" projections
