

INNOVATIVE SOLUTIONS FOR THE LOADING DOCK INDUSTRY

THE DL SCREEN DOOR

PATENT PENDING

A revolutionary screen door designed specifically for the loading dock industry.

DL Manufacturing is proud to introduce the first screen door designed explicitly for the loading dock industry. Our easy to install, durable dock screen door will keep bugs and pests out while providing a more comfortable environment for your workers. The DL Screen Door's revolutionary patent pending design allows for installation behind the dock door which:

- reduces installation cost
- protects the screen door and track from damage
- provides better sealing capability
- allows for easy operation

MODEL SPECIFICATIONS

- mounts behind our MxV and PxV knockout doors
- 40 ounce vinyl Tuff Screen
- Flexible to withstand impact
- 1" x 1/2" fiberglass stays
- Bottom brush seal
- Top header seal – Torsion Spring
