## Series 485 LED Versa Light

Innovative 320°  
swivel head

The LED Versa Light 485® provides a new twist to dock lighting while maintaining the same quality and sustainability as the Versa Light 450® model.

**Easy on the eyes.** Engineered to maintain a quality light output of 3000k. No more complaints from workers about harsh light.

**Improved flexibility of the LED Versa Light 485.** The LED Versa Light 485® effectively illuminates the ENTIRE INSIDE of an 8' X 53' trailer , while other dock lights features a 53' narrow beam of light with spotlight quality. The Versa Light 485 has an innovative 320° swivel head which allows for modifications to the light positioning with a simple turn of the light head.

**Longer Life and More Power.** Our fan-cooled design allows us to provide a light with superior output and 2200 lumen's of light as well as longer life LED's of 100,000 hours and more importantly, we have eliminated the harsh glare typical of other LED docklights.

**Suitable for food grade applications.**

Made in USA

## LED Versa Light® Series 485

### MORE Light, LESS Glare!

Don't blind your dock workers – See why color temperature matters

**SOFT** Household Lighting  
Ideal for reading and for  
use in enclosed areas

**HARSH** Direct Sunlight  
Ideal for flash photography  
and tanning on the beach

LED Versa Light®  
Series 485  
illuminates the  
entire trailer

Other LED Dock  
Lights use a  
narrow-focused  
spotlight effect

LED Versa Light® delivers more light output with less power consumption  
and less environmental impact than other conventional light sources

#### Model 485 Features

- Rotating Bulb Head
- Easily Positioned
- Durable Construction
- Shock/Vibration Resistant
- Fan Cooled
- Circuit Breaker Switch
- Grounded Plug
- Stainless Steel Flexible Tube
- Welded Steel Housing
- Durable Protective LED Shield
- 23 degree Focused Lens

#### Product Specifications

- 120 volt, .7A, 60Hz
- Amperage Draw .7A max
- 48 Watt Average
- Adjustable/Flexible Tube
- Solid State Step Down Power Supply
- Built-in Cooling Fan
- Circuit Breaker Switch
- Pre-drilled Holes for Easy Installation
- 100,000 Hours LED Life
