Versa[★]Light[®]

PATENTED

The Best Technology in Truck Lighting

Proper lighting can increase safety and minimize product and trailer damage— saving you money! Versa Light's[®] advanced technology illuminates the entire trailer. Its versatile multi-position flexible tube resists overhead door impact. Versa Light's[®] computer fan cools the bulb for extended life.

NEW!
Versa Light[®] XL
Superior Extended Bulb Life
75% Longer

OLD TECHNOLOGY

Old technology truck lights are prone to damage from overhead doors and fork lifts.

NEW TECHNOLOGY

Versa Lights[®] unique flexible tube design withstands sudden impact, and easily adjusts to any position.

Versa Light provides twice the light of old technology dock lights. The difference between old technology dock lights and Versa Light[®] is like the difference between night and day.

OLD TECHNOLOGY

INNOVATIVE PRODUCTS FOR THE LOADING DOCK INDUSTRY
