LED

Get all the facts
on LED dock lights.

Not all LED lights are created equally. The LED Versa Light® provides Sustainability by Ensuring Quality and Performance for the Long Term – minimizing your cost of ownership.

Nothing lights up a trailer like a LED Versa Light® with our 10 LED head configuration. The LED Versa Light® effectively illuminates the ENTIRE INSIDE of an 8' X 53' trailer. Other dock lights feature a 53' beam of light with a spotlight quality; we focus on details like lighting up the sides too.

Longer Life – Our patented, fan-cooled design allows us to provide a light with superior output, 10 high intensity LED's, and longer life LED's – up to 85,000 hours.

Easy on the eyes – Specifically engineered to maintain the same color temperature as our halogen bulb Versa Light™

Suitable for food grade applications

Air Flow

Twice the Light Output

Withstands Sudden Impact

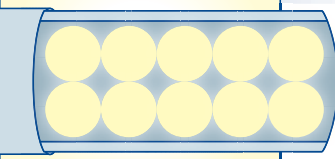

Green

INNOVATIVE PRODUCTS FOR THE LOADING DOCK INDUSTRY

LED Versa Light® – the right solution for today's forward thinking companies.

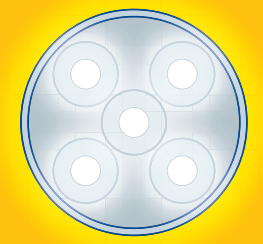

Don't blind your dock workers – See why color temperature matters

LED VERSA LIGHT® OFFERS A SOFT WIDELY DISPERSED LIGHT

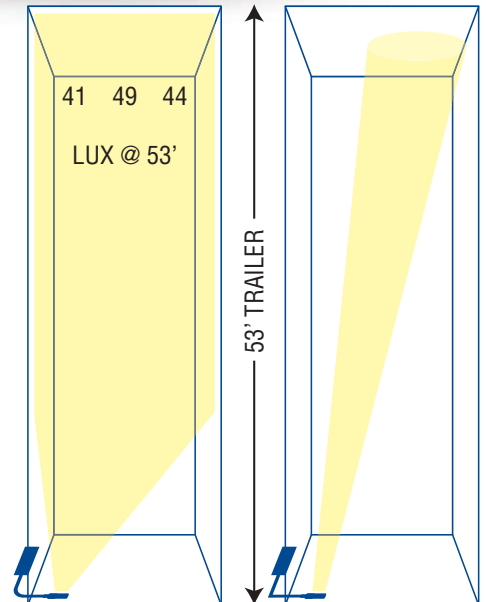

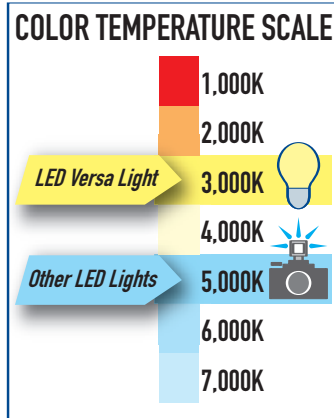

SOFT Household Lighting
Ideal for reading and for use in enclosed areas

OTHER LED DOCK LIGHTS OFFER A HARSH BLINDING SPOTLIGHT

HARSH Direct Sunlight
Ideal for flash photography and tanning on the beach

LED Versa Light® illuminates the entire trailer

Other LED Dock Lights use a narrow-focused spotlight effect

LED Versa Light® delivers more light output with less power consumption and less environmental impact than other conventional light sources

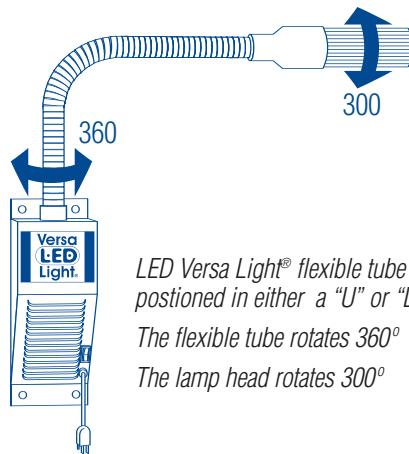

Model 482 Features

- Easily Positioned
- Durable Construction
- Shock/Vibration Resistant
- Fan Cooled
- Circuit Breaker Switch
- Grounded Plug
- Stainless Steel Flexible Tube
- Welded Steel Housing
- Protective LED Shield
- Tamper Resistant
- ETL Approved

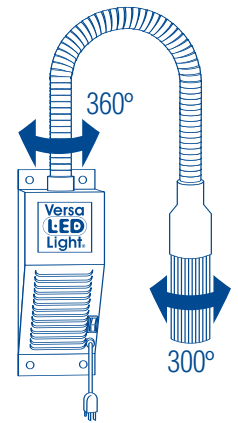

Model 487 – 277 volt
International Model – 230 volt, 50-60HZ

Product Specifications

- 120 volt, .36A, 60Hz
- Amperage Draw .42 max
- 36 Watt Average
- Adjustable/Flexible Tube
- Solid State Step Down Power Supply
- Temperature Activated Built-in Fan
- Circuit Breaker Switch
- Pre-drilled Holes for Easy Installation
- Up to 85,000 Hours Expected LEDLife

LED Versa Light® flexible tube can be positioned in either a "U" or "L" shape
The flexible tube rotates 360°
The lamp head rotates 300°

Suitable for Food Grade Application
